European Medicines Research Training Network

Pharmaceutical Medicine Training Programmes

European Modular Education and Training Programme  
in Safety Sciences for Medicines

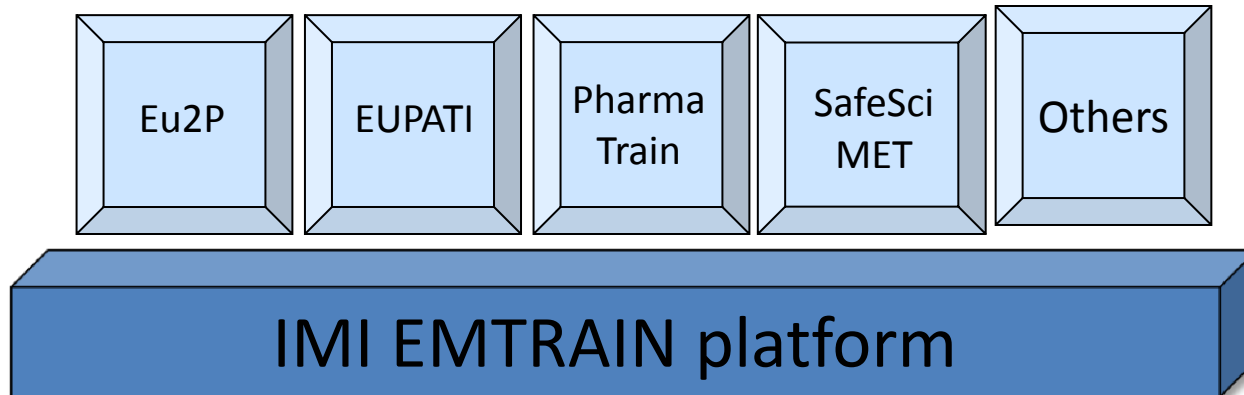

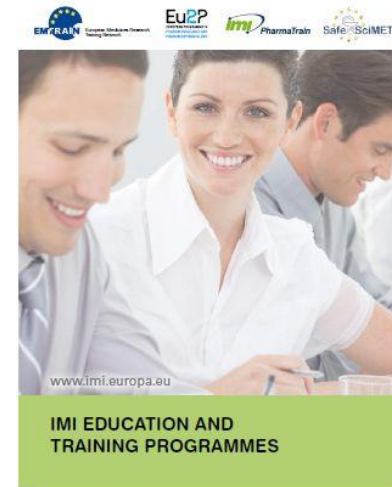

- 
- Multiple levels from single modules (CPD) to Masters/PhD
  - Flexible, modular courses
  - Mutual recognition of modules enhances mobility
  - Initiatives to date:
    - An Extensive Course Catalogue: [www.on-course.eu](http://www.on-course.eu)
    - Pharmaceutical Medicine/Medicines Development
    - Advanced Safety Sciences for Medicines
    - Pharmacovigilance and Pharmacoepidemiology
    - European Framework towards Continuing Professional Development (CPD)
    - Empowerment of Patients and the Public, as well
- 

## Areas of mutual interest – “cross project”

- Course catalogue: [www.on-course.eu](http://www.on-course.eu)
- Tools and processes
- Knowledge sharing
- Quality criteria
- Communications

Biomedical courses

---

**WHAT?**

---

**on-course<sup>®</sup>** is the most comprehensive and sustainable **biomedical and medicines research and development postgraduate course portal** in Europe.

# What can we offer you?

---

- Access to a wide selection of courses and levels, ranging from CPD (**short courses**) to **Master** and **PhD programmes** in the EU and associated countries

# What's in it for you?

---

- **Free of charge**, for both course seekers and course providers
- **Fast** access, **easy** navigation and the most **complete** information
- Available courses in over **20 different languages**
- Covering more than **60 scientific/therapeutic biomedical areas**

- 
- The course information currently originates from about **1000 universities in 39 countries**.
  - All courses are assessed and selected based on their **quality** and the course provider's **expertise**.
  - Courses are continuously kept **up-to-date and improved** based on users' input.

# What's in it for the course seeker?

---

- **on-course**<sup>®</sup> aims to connect people, by providing a **pan-European discussion forum** for the industry, academia and regulators.
- We facilitate the exchange of ideas for **innovative and collaborative research and development.**
- Ongoing **gap-analysis** in training offerings

# What's in it for universities?

---

- **on-course<sup>®</sup>** allows you to **gauge interest on current and proposed courses.**
- **on-course<sup>®</sup>** offers you the right tools to permit efficient communication and help you **stay updated** with rapidly changing education needs.
- You will get the opportunity to **join discussions** about education and training in Europe as a course provider.

# What's in it for the industry?

---

- **on-course**<sup>®</sup> offers you the opportunity to **communicate training needs**, in order for gaps to be identified and addressed.
- The changes in course offerings based on your requirements will allow students to focus on the knowledge that is in demand, in the long term **reducing in-house trainings**.

# Why do **YOU** need to be a part of this?

---

- **on-course<sup>®</sup>** will become **the reference in biomedical postgraduate courses in Europe** and increase visibility for course providers drastically in the biomedical industry.

---

# HOW TO USE

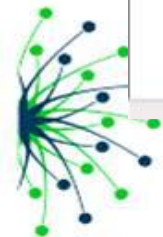

# Start!

## www.on-course.eu

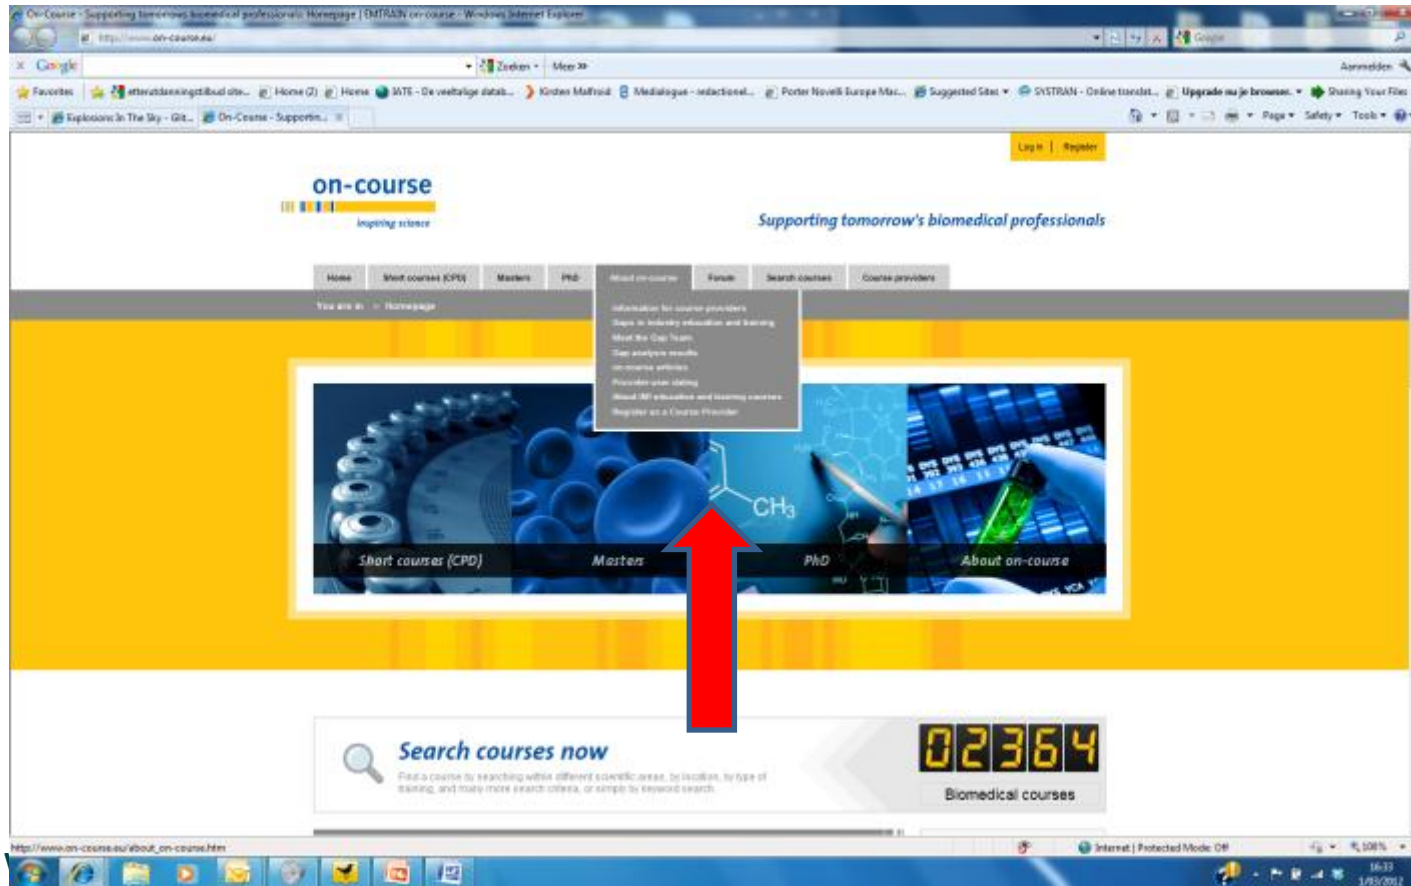

A screenshot of the on-course website homepage as seen in an Internet Explorer browser window. The browser's address bar shows 'http://www.on-course.eu/'. The website header features the 'on-course' logo with the tagline 'inspiring science' and the slogan 'Supporting tomorrow's biomedical professionals'. A navigation menu includes links for Home, Short courses (CPD), Masters, PhD, About on-course, Forum, Search courses, and Course providers. A central banner with a blue and yellow background contains images of laboratory equipment and chemical structures, with labels for 'Short courses (CPD)', 'Masters', 'PhD', and 'About on-course'. Below the banner is a search box with the text 'Search courses now' and a magnifying glass icon. To the right of the search box is a digital display showing '02364' and the text 'Biomedical courses'. The browser's status bar at the bottom indicates 'Internet | Protected Mode: Off' and a zoom level of '100%'.

# Find out more about on-course®

more information about on-course® on our website.

# Select your area of interest

On the website, you can access the most comprehensive database of courses and levels, ranging from **short courses** to **Master** and **PhD programmes** in the EU.

# Search your course in no time!

A screenshot of the 'on-course' website's search interface. At the top right, there are 'Log in' and 'Register' buttons. The 'on-course' logo is on the left, with the tagline 'inspiring science'. The main navigation bar includes 'Home', 'Short courses (CPO)', 'Masters', 'PhD', 'About on-course', 'Forum', 'Search courses', and 'Course providers'. Below this, a breadcrumb trail reads 'You are in &gt; homepage &gt; Search courses'. The central search area has a grey header 'Search courses' and a white input field labeled 'Keyword'. A yellow 'Search' button is to the right of the input field, with a red arrow pointing to it. Below the search area are three expandable filter sections: 'Show Types of course, Schedule, Learning context and Professional/scientific organisation', 'Show Language and Location', and 'Show Scientific and Therapeutic areas'. The bottom of the search area is a large empty white box with a decorative wavy border.

UNIQUE: **Compare courses** in terms of costs, credits, location and duration.

# Leave your feedback

**Feedback** We welcome your feedback on any aspect of on-course including courses you searched for but were unable to find
